KLAYMOR EQUIPOISE 2023758

Invitation

We invite all persons who are interested in improving the cattle of the Nation to be our guests at Comrie Farms on the day of our first annual sale by auction, Monday, April 13, 1942. For more than ten years we have been building our herd upon the best of foundation material and with outstanding bulls to the point where our productions are of the type, quality and character that we are proud to offer to breeders of Shorthorns everywhere.

We want you to be the judges of what we have achieved and we shall accept your judgement cheerfully and gratefully. But you cannot judge unless you have seen the cattle and we shall not know your opinion until you have appraised them at the auction.

We believe you will be pleased with our offering. We have faith in their ability to produce profitably for you and we shall follow the results of their use in your herd with as much interest as though they were retained in our own.

Our cattle are healthy and have passed official tests for Bang's and T. B. We have them all tattooed so as to help you identify them at any time.

It would please us to have you come to Comrie Farms on Sunday, the day before the sale to see our breeding matrons and to study the herd as a whole. We are just at the edge of Grand Rapids where there are many excellent hotels. We shall be pleased to have you as our guests at lunch on the day of the sale.

Klaymor Equipoise 2023758—When we purchased Klaymor Equipoise we were seeking the best herd bull prospect that was then for sale. We believe we got what we were looking for. He was an outstanding calf. He has become an outstanding yearling and he is rapidly growing into an outstanding two-year-old. He won the grand championship of the 1941 Michigan State Fair. He has a remarkably wide, level back, deep body, deep, thick, full quarters, short legs with ideal bone, lots of smooth flesh and the best head on any bull. His sire is the greatest bull in Canada and perhaps on the North American Continent. His rich red roan, imported dam is as good a cow as is contained in the famous Klaymor herd and is sired by Calrossie Scout Leader a first prize winner at the Scottish Highland and the English Royal shows and he was sired by the famous Collynie Royal Leader. When you come to the sale we shall show you the first calves by Klaymor Equipoise. They are very dark red roans, almost solid red. They are of the type we hoped for. A dozen of the females in the sale are with calf by Klaymor Equipoise.

Milky Way Villager 1840082—Is our senior herd bull. Seven of the bulls in the sale are his sons and twelve of the females are his daughters. Study their pictures and you will realize that he is a potent sire. His calves not only are of topmost quality and modern type but they are extraordinarily uniform, every one of them being a real show prospect. The noted judge and professor of live stock husbandry, Don Kays of Ohio, writing in the Christmas number of *The Shorthorn World* used the picture of Milky Way to illustrate "Levelness of top, arch of rib and uniform width of back." Had he used a side view he would have an excellent example of proper depth of body and shortness of leg and with all of those desirable features will be found a grand head and equally desirable hind quarters.
